**REF: REFERENCE LETTER ON CLEANING SERVICES PROVIDED BY
ANDIVEST PVT LTD**

We have been working with Andivest Pvt Ltd which is a cleaning company that has been providing us with their professional services for the past year and we are still working with them up to now.

They are offering us their services to our entire building and we do not have complains with both the company and their employees who are professional and skillful.

We have two floors which they take care of everyday and below are some of the daily suppliers they provide:

Professional employees,

Cleaning equipment,

Cleaning detergents

We do not hesitate to refer them for their wonderful services.

Yours sincerely

Simbarashe Tembo
